

Quiz 1 Coding Answer :

Morning: Reverse the String

```
public String reverse(String s){  
    return new StringBuffer(s).reverse().toString();  
}
```

Afternoon: Even ArrayList:

```
public List<Integer> evenList(List<Integer> list){  
    List<Integer> result = new ArrayList<>();  
    for(int n :list){  
        if(n % 2 == 0)result.add(n);  
    }  
    return result;  
}
```
